

Lottery/Reservation Information 50 Mile Ride May 25, 2019

The South Mountains Ride will be using a lottery entry approach for the 2019 ride (50-mile) to be held on May 25, 2019. Ride Management will reserve 3 slots for volunteers that are riding and the rest will be drawn from the lottery entry forms received by April 1, 2019. Names will be drawn to establish a waiting list. A drawing for entry reservations and to establish the waiting list will be held and announced on April 1, 2019.

The ride is limited by the number of camping spots (12) along with the number of horse stalls (24). If you are selected from the lottery you will be able to bring the riders with you that are also entered in the lottery that are listed on your lottery form and camping with you and vice versa provided enough stalls remain. Parking will be assigned at base camp. Your \$ 120.00 check (to be sent in with the form below) will be held until the April 1, 2019 drawing. Should you be one of the entries selected, your check will be deposited and credited on April 2, 2019 toward the \$120.00 entry fee for AERC members and refundable according to our cancellation policy. If you are selected as part of the waiting list, your check will be held until you are offered and accept an entry spot due to cancellation.

Winners will be posted to the Endurance Riders Facebook Group and notified by email on April 2, 2019. Complete Ride entry forms must be sent in no later than April 15, 2019. Checks for the balance due for stalls and camping must be sent with entry form and will be deposited on April 15, 2019. Failure to complete an entry and/or submit fees by stated deadlines may result in forfeiture of the reservation. Entries will not be accepted at base camp all entrants must be pre-registered.

All event information, directions, maps, and other pertinent details will be available on the website with AERC.org. or SERAonline.org. Please be sure to check the ride website for updates prior to the event.
